

Proof of English language skills for master programs

For your application for a master program at Frankfurt University of Applied Sciences only the following proof of English language skills will be accepted in summer semester 2022:

FOR ADVANCED ARCHITECTURE

- Test of English as a Foreign Language (TOEFL) with a result of at least 79 (iBT)
- International English Language Testing with a result of at least von 6
- Cambridge Certificate with a result of at least First Certificate in English (FCE, former: A)
- Other certificates that certify English language skills of at least B2 of the Common European Framework of Reference (CEFR) and that are not older than 2 years (Self-tests, placement tests and language tests from private education companies will not be accepted. Seperate English modules – even with an indication of the level – are not sufficient)
- Proof that English is the mother tongue
- Proof that the bachelor degree was achieved in an English-speaking area
- DAAD test (the achieved level must be stated, the test must not be older than 2 years)
- Proof that at least 100 credit points of a completed bachelor program were achieved in modules that were taught in English (proven by modul descriptions from the modul manual and markings in the transcript of records)

FOR HIGH INTEGRITY SYSTEMS

- Test of English as a Foreign Language (TOEFL) with a result of at least 79 (iBT)
- International English Language Testing with a result of at least von 6
- Cambridge Certificate with a result of at least First Certificate in English (FCE, former: A)
- Other certificates that certify English language skills of at least B2 of the Common European Framework of Reference (CEFR) and that are not older than 2 years (Self-tests, placement tests and language tests from private education companies will not be accepted. Seperate English modules – even with an indication of the level – are not sufficient)
- Proof that English is the mother tongue
- Proof that the bachelor degree was achieved in an English-speaking area
- Proof that at least 30 credit points of a completed bachelor program were achieved in modules that were taught in English (proven by modul descriptions from the modul manual and markings in the transcript of records)
- DAAD test (the achieved level must be stated, the test must not be older than 2 years)

FOR INFORMATION TECHNOLOGY (3 SEMESTERS)

- Test of English as a Foreign Language (TOEFL) with a result of at least 80 (iBT)
- International English Language Testing with a result of at least 6
