Teaching and research at a dynamic institution of higher education!

We are looking for persons, who would like to apply their extensive experience in their professional position in teaching and research at our institution of higher education based on an above-average doctorate (or similar proof of qualification in the field architecture). Practical orientation, interdisciplinary training, international orientation and regional integration mark our profile. Excellent teaching and research quality is our aspiration.

Our Faculty 2: Computer Science and Engineering

is looking for

a Professor (f/m/d)

(Salary grade W2 Hessian Salary Law (HBesG))

for the following field:

Corporate Information Systems and Integration

reference number: 23/2020

in the summer semester 2021 or winter semester 2021/22

You will be representing the subject Corporate Information Systems and Integration in our undergraduate and post-graduate courses in the Information Systems discipline. This comprises modules on Corporate Standard Software (e.g. SAP) and the integration of corporate application systems (integration middleware as well as its application). Having a computer science or information systems background, you are also experienced in introducing and maintaining standard software as well as its configuration in order to meet business needs. Additional hands-on experience in Service-oriented Architecture (e.g. Enterprise Service Bus, service orchestration or microservices) are recommended.

We might ask you for a teaching and research outline as well as German language certificates (at least C1 level) in the course of the application procedure. The majority of courses will have to be delivered in German, but we are also intending to offer further courses in English. In case of any questions or inquiries, please, contact Prof. Christoph Thomas (cthomas@fb2.fra-uas.de).

We expect from our professors:

High presence at the institution of higher education and intensive care of our students; participation in basic training i.e. the representation of the relevant field in an introductory form in all degree courses of the faculty; qualification and aptitude to research and successful acquisition of third party funding; gender and diversity competence; participation in international activities of the institution of higher education, including teaching in the English language; participation in the interdisciplinary Studium generale; contributions to offers in continuing education, life-long learning and eLearning; taking on responsibility in the frame of academic self-administration; continuing education in the technical discipline and higher education didactics; willingness to cooperate cross-regionally with other institutions of higher education in the region; dedication and initiative in the frame of a service-oriented salary.

The hiring conditions are in accordance with §§ 61 and 62 of the Hessian Higher Education Act (HHG).

This is a permanent contract. The first appointment as a professor is first as a public-service
employee on probation or with an unlimited employment contract with a 3-year long probation period.

Further official duties and requirements are listed under §§ 61 - 63, 68 and 69 HHG from Dec 14, 2009 (Federal Law Gazette I p. 666), last amended by law from Dec 18, 2017 (Federal Law Gazette p. 482) – and can be viewed under www.hmwk.hessen.de.

The Frankfurt University of Applied Sciences encourages applications from women in order to elevate the employment share. Persons with disabilities are given preference in the frame of currently valid regulations.

We greatly value the protection of your personal data. In agreement with statutory data protection regulations (especially EU General Data Protection Regulation), we inform you about the collection, processing and usage of your data with regard to your job application at Frankfurt University of Applied Sciences. Please find the relevant references to the statutory data protection regulations under the following link: https://www.frankfurt-university.de/index.php?id=5184

Applications with supporting documents (incl. publication list, projects, depiction of teaching and research activities) are requested via mail until March 27th, 2020 including the reference number to be sent to:

President of the Frankfurt University of Applied Sciences,
Human Resources,
Nibelungenplatz 1, D-60318 Frankfurt.
