

"Opportunities through education" is the motto of the Frankfurt University of Applied Sciences (Frankfurt UAS). Internationality, diversity and social responsibility are its values. It sees itself as an institution of lifelong learning and as an innovative research and development partner for the region. Our more than 16,000 students and approximately 900 staff members - professors, researchers and administrators - shape our institution.

We are looking for persons with an above-average doctorate (or similar proof of qualification in the field of architecture) who are enthusiastic about applying their extensive professional experience in teaching and research at our higher education institution. A practical approach, interdisciplinary training, international orientation and regional integration mark our profile. Excellent teaching and research quality is our aspiration.

Our Faculty 3: Business and Law
is looking for

a Professor
(Salary grade W2 Hessian Salary Law (HBesG))
for the following field:
General Business Administration, in particular Artificial Intelligence and
Entrepreneurship
reference number: P11/2021
as soon as possible

The holder of this position will represent the Faculty in the area of "General Business Administration, in particular Artificial Intelligence and Entrepreneurship" in the form of lectures delivered in German as well as in English within Bachelor and Master Degree Programmes.

Desirable is participation in the University's Programme for Continuing Education as well as in the Institute for Entrepreneurship (IFE).

The position holder is funded through the Hessian Center for Artificial Intelligence (hessian.AI), and the associated research, teaching, and transfer activities are the basis for the AI-based start-up projects with supra-regional and international impact.

Extensive professional experience is required, which combines technical and economic sciences expertise at the interface between artificial intelligence and the development and implementation of innovative business models and processes.

The chosen candidate will have an innovative, "start-up-oriented" personality with outstanding communication skills, a willingness to use an interdisciplinary approach, as well as an entrepreneurial creative drive, most notably in the context of "Start-ups".

We refer to the employment requirements according to §§ 61 und 62 of the Hessian Higher Education Act. Applicants will be requested to submit a teaching and research concept that meets the requirements of the position. Please take note of the information found here:

www.frankfurt-university.de/Fb3-Bewerbung.

For further information, please contact Prof. Dr. Cord Siemon:
siemon@fb3.fra-uas.de

We expect from our professors:

High presence at the institution of higher education and intensive care of our students; participation in basic training i.e. the representation of the relevant field in an introductory form in all degree courses of the faculty; qualification and aptitude to research and successful acquisition of third party funding; gender and diversity competence; participation in international activities of the institution of higher education, including teaching in the English language; participation in the interdisciplinary Studium generale; contributions to offers in continuing education, life-long learning and eLearning; taking on responsibility in the frame of academic self-administration; continuing education in the technical discipline and higher education didactics; willingness to cooperate cross-regionally with other institutions of higher education in the region; dedication and initiative in the frame of a service-oriented salary.

The hiring conditions are in accordance with §§ 61 and 62 of the Hessian Higher Education Act. This is a permanent contract. The first appointment as a professor is **first as a public-service employee on probation or with an unlimited employment contract with a 3-year long probation period.**

Further official duties and requirements are listed under §§ 61 - 63, 68 and 69 of the Hessian Higher Education Act from Dec 14, 2009 (Federal Law Gazette I p. 666), last amended by law from Dec 18, 2017 (Federal Law Gazette I p. 221) – and can be viewed under www.hmwk.hessen.de.

The Frankfurt University of Applied Sciences encourages applications from women in order to elevate the employment share.
Persons with disabilities are given preference in the frame of currently valid regulations.

Applications with supporting documents (incl. publication list, projects, presentation of previous teaching and research) are requested via mail **until May 21, 2021** including the reference number to personal-prof-beamt@hr.fra-uas.de
