Teaching and research at a dynamic institution of higher education!

We are looking for persons, who would like to apply their extensive experience in their professional position in teaching and research at our institution of higher education based on an above-average doctorate (or similar proof of qualification in the field architecture). Practical orientation, interdisciplinary training, international orientation and regional integration mark our profile. Excellent teaching and research quality is our aspiration.

Our Faculty 1: Architecture • Civil Engineering • Geomatics is looking for

a Professor (f/m/d)  
(Salary grade W2 Hessian Salary Law (HBesG))

for the following field:
Facility Services Management
reference number: 02/2020

in the summer winter semester 2020/21

We look for a personality holding a university degree in the field of Business Administration, Economics or of a Real Estate related program. A doctorate or adequate accomplishment as well as the scientific and pedagogic aptitude are presupposed. The holder of the position shall teach in all bachelor and master programs within our faculty. The emphasis lies on the field of Real Estate and Facility Management as well as Real Estate and Integral Building Technology. The teaching language is German predominantly.

We expect the applicants to have sound knowledge and practical experience regarding management of building related services, business management, process management and project management. Beyond that well-founded knowledge on human resources management, human resources development and interpersonal skills are necessary. Knowledge on the economical basics is welcome.

You are asked to present a teaching and research concept.

We expect from our professors:

High presence at the institution of higher education and intensive care of our students; participation in basic training i.e. the representation of the relevant field in an introductory form in all degree courses of the faculty; qualification and aptitude to research and successful acquisition of third party funding; gender and diversity competence; participation in international activities of the institution of higher education, including teaching in the English language; participation in the interdisciplinary Studium generale; contributions to offers in continuing education, life-long learning and eLearning; taking on responsibility in the frame of academic self-administration; continuing education in the technical discipline and higher education didactics; willingness to cooperate cross-regionally with other institutions of higher education in the region; dedication and initiative in the frame of a service-oriented salary.

The hiring conditions are in accordance with §§ 61 and 62 of the Hessian Higher Education Act (HHG).

This is a permanent contract. The first appointment as a professor is first as a public-service employee on probation or with an unlimited employment contract with a 3-year long probation period.
Further official duties and requirements are listed under §§ 61 - 63, 68 and 69 HHG from Dec 14, 2009 (Federal Law Gazette I p. 666), last amended by law from Dec 18, 2017 (Federal Law Gazette p. 482) – and can be viewed under www.hmwk.hessen.de.

The Frankfurt University of Applied Sciences encourages applications from women in order to elevate the employment share. Persons with disabilities are given preference in the frame of currently valid regulations.
