I/we affirm to be the original author(s) of the above-mentioned publication.

1. I/we grant the Frankfurt University of Applied Sciences the non-exclusive rights of usage and release to the above-mentioned publication, abstract and metadata, free of charge, revocable, and unrestricted in terms of time and geographic location. The Frankfurt University of Applied Sciences is entitled to archive and manage the above-mentioned publication, abstract and metadata in electronic form on the university thesis repository server, and to use and release them worldwide in any manner that is now known or may become known in the future.
2. I/we ensure that I/we have the rights of usage to the publication and associated abstract, and in particular that I/we have not transferred the exclusive right of usage to any third party/parties, and that any release by the Frankfurt University of Applied Sciences does not conflict with the rights of any third parties. I/we will inform the Frankfurt University of Applied Sciences without delay in case I/we become aware of conflicting rights of third parties. I/we indemnify the Frankfurt University of Applied Sciences from any claims of third parties.
3. The Frankfurt University of Applied Sciences is entitled to modify and complete the metadata (bibliographic entries) provided by me/us.
4. The Frankfurt University of Applied Sciences is entitled to perform necessary conversions into other data formats, as technically necessary, in order to ensure that the publication will also remain accessible to readers in electronic form in the future. Modifications to content are not allowed.
5. The following relevant copyright details are to appear on the title page of the document, before a user receives access to the publication and the abstract:

6. I am/we are aware that no entitlement exists to the release of the publication and the abstract and the metadata, and that the Frankfurt University of Applied Sciences has the right at any time to exclude an already released publication and the abstract and the metadata from further release.
7. The Frankfurt University of Applied Sciences wishes to point out that the publication can be retrieved on the Internet worldwide. Therefore, further use of this publication by third parties cannot generally be ruled out.
