**Title of publication:**

**Published in:**

**Publisher /**

**Publishing Company:**

**Year:**

**Type of publication:**

### 1. Transfer of rights

I/we grant the Frankfurt University of Applied Sciences the non-exclusive rights of usage and release to the above-mentioned publication, abstract and metadata, free of charge, revocably, and unrestricted in terms of time and geographic location. The Frankfurt University of Applied Sciences is entitled to archive and manage the above-mentioned publication, abstract and metadata in electronic form on the university thesis repository server, and to use and release them worldwide in any manner that is now known or may become known in the future.

The Frankfurt University of Applied Sciences is entitled to alter and complete the metadata (bibliographical details) I/we have provided. I/we agree that the metadata (without abstract) be published under the licence Creative Commons Zero (CC0, see <https://creativecommons.org/publicdomain/zero/1.0/deed.de>).

### 2. Ownership of rights

I/we ensure that I/we have the rights of usage to the publication and associated abstract, and in particular that I/we have not transferred the exclusive right of usage to any third party/parties, and that any release by the Frankfurt University of Applied Sciences does not conflict with the rights of any third parties. I/we will inform the Frankfurt University of Applied Sciences without delay in case I/we become aware of conflicting rights of third parties. I/we indemnify the Frankfurt University of Applied Sciences from any claims of third parties.

### 3. Conversion and permanent archiving

The Frankfurt University of Applied Sciences is entitled to perform necessary conversions into other data formats, as technically necessary, in order to ensure that the publication will also remain accessible to readers in electronic form in the future. Content cannot be modified.

I/we grant the Frankfurt University of Applied Sciences the right to make the document available to other libraries and archives, including the German National Library, with the same rights as mentioned above for the purpose of permanent archiving and/or distribution.

### 4. Publication licence
