The screenshot shows a presentation slide titled "Jot!". It features a mind map centered on "Persuasion Topics" with branches for "What do you want to do?", "What helped you?", "Precedence & experience", "Form questions", "Notes 14/20", "What do I wish I knew?", "Who is our audience?", and "Be creative". A red box lists creative techniques: "Select Lines and Text", "Move", "Delete", "Cut, Copy, Duplicate", and "Change the Color". A red thought bubble on the right says "Extrem simple Auswahl – nur Handschrift". A red starburst at the bottom right says "Zusammenarbeit möglich". The bottom of the slide shows a small red logo and the text "Prof. Dr. Doris Gallinski".

Jot!

Select Lines and Text

- Move
- Delete
- Cut, Copy, Duplicate
- Change the Color

Persuasion Topics

- What do you want to do?
- What helped you?
- Precedence & experience
- Form questions
- Notes 14/20
- What do I wish I knew?
- Who is our audience?
- Be creative

Extrem simple Auswahl – nur Handschrift

Zusammenarbeit möglich

14

Sync Space

The screenshot displays the Sync Space application interface. It features a central workspace with a grid of icons representing different objects: bicycles, a server, and a person. A sidebar on the right contains various tools and settings, including a 'Duplicate' button. The interface is designed for collaborative work and synchronization of data across multiple devices.

Notizen

The screenshot displays the 'Notizen' (Notes) application interface. At the top, there is a header bar with a green background and a grid of icons. Below this, the word 'Notizen' is prominently displayed. The main area features a grid of ten different note-taking applications, each with its own icon and name:

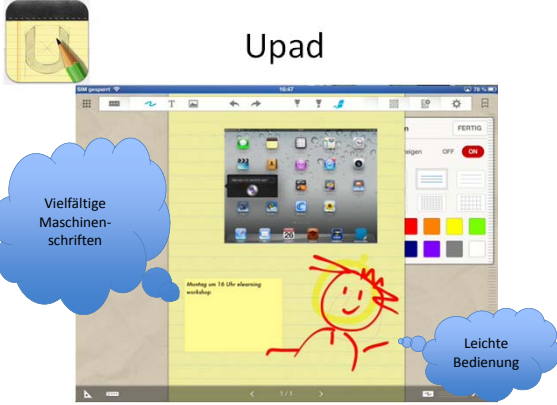

- UPAD
- Notes Mobile
- Notability
- Notes Anytime
- Penultimate
- Bamboo Paper
- GoodNotes
- Handwriting
- WebCollector
- Evernote
- OneNote
- Memo
- Notes Taker HD

Each application icon is distinct, representing various features like handwriting, PDF annotation, or simple note-taking.
