

A portrait of a young Black man with short hair and a goatee, wearing a grey hoodie, smiling slightly. The background is a soft-focus outdoor setting. The image is partially overlaid by a purple geometric shape on the right side.

We! connect the world

Global Logistics (M.Sc.)

Those who study with us today can change the world tomorrow. This degree course – taught completely in English – offers a unique combination of logistics, transport and foreign trade, based on a broad IT foundation. It gives you a profound knowledge of how global value chains work. We create global value by connecting the world.
