

Curriculum Vitae

Short Bio

Heino Stöver is a social scientist, PhD and Professor of Social Scientific Addiction Research at the University of Applied Sciences in Frankfurt/ Germany, Faculty of Health and Social Work. Since 1987 he has been director of the Archive and Documentation Centre for Drug Literature and Research at the University of Bremen (www.archido.de). He is co-founder of the Bremen Institute for Drug Research (BISDRO), president of the national umbrella organisation working in the field of harm reduction for drug users called akzept e.V. (Bundesverband für akzeptierende Drogenarbeit und humane Drogenpolitik; www.akzept.org). Since 1st of September he is director of the “Institute of Addiction Research of the University of Applied Sciences in Frankfurt am Main”.

Heino Stöver’s main fields of research and project development expertise are health promotion for vulnerable groups, drug services, prisons and related health issues (especially HIV/AIDS, Hepatitis C and drug dependence). His research and consultancy expertise includes working as a consultant for the European Commission, United Nations Office on Drugs and Crime (UNODC), WHO, European Monitoring Centre for Drugs and Drug Addiction (EMCDDA), International Committee of the Red Cross (ICRC) and Open Society Institute (OSI) in various contexts.

He has published several articles in peer reviewed international journals and books on preventing and treating infectious diseases adequately (HIV/AIDS, hepatitis, STIs, and TB), opioid substitution programmes (including the provision of heroin) in the community and in prisons, and general health care issues in prisons. He is co-founder of the International Journal of Prisoner Health. Heino Stöver has gained project experience by participating in several projects in the European Union, WHO and UNODC.

- Name:** Heino Stöver
- Grade/Department** Director of the “Archive and Documentation Centre for Drug Literature” (www.archido.de; heino.stoever@uni-bremen.de)
 Director of the “Institute of Addiction Research of the University of Applied Sciences in Frankfurt am Main”
http://www.fh-frankfurt.de/de/forschung_transfer/institute/isff.html
- Fields of expertise** Health research with special focus on vulnerable populations (prisons, infectious diseases/hepatitis C, drugs and alcohol), project development (development of prevention models and implementation)
- Qualifications:**
- Social Scientist (diploma),
 - PhD on “Policies and Practice of Acceptance-Oriented Drug work” (University of Bremen/Germany)
 - Professor at the University of Applied Sciences Frankfurt/Germany (focus: prevention, treatment, care and health promotion in general)
- Previous Experience**
- Senior Lecturer in social sciences (theories and methodology), pedagogy, epidemiology, operational research.
 - Founder and later executive director of the low-threshold drug service association „Kommunale Drogenpolitik/Verein für akzeptierende Drogenarbeit“ in Bremen (1986-1995):
 Prevention of Infectious Diseases, Methadone Programme, gender specific services, HIV education and workshops in prisons, contact house, housing projects etc.
 - Founder and director of the “Archive and Documentation Centre for Drug Literature” (ARCHIDO; since 1987)
 - Professor at the University of Bremen/Germany (focus: prevention and health promotion)

International consultancy expertise

For the United Nations Office on Drugs and Crime (UNODC), Vienna/Austria:
 HIV/AIDS Prevention, Care, Treatment, and Support in Prison Settings – A Framework for Effective National Response (Dec. 2004-March 2005) –
 (http://data.unaids.org/pub/Report/2006/20060701_hiv-aids_prisons_en.pdf),
 available in: Arabic, Chinese, English, French, Portuguese, Russian, Spanish

For the United Nations Office on Drugs and Crime (UNODC/Subregion Middle East/North Africa), Cairo/Egypt: – Provide technical assistance in formulating a

regional strategy on increasing access to drug abuse and HIV/AIDS prevention and care services in the prison setting (October-December 2005).

For World Health Organisation (Regional Office Europe in Copenhagen/Denmark and Central Office in Geneva) as temporary advisor.

- Co-author of the consensus paper „Prisons, Drugs and Society – A Consensus Statement on Principles, Policies and Practices“ (WHO Regional Office for Europe) Health in Prisons Project and the Pompidou Group of the Council of Europe), London, Bern, 2001 – (<http://www.euro.who.int/document/e85877.pdf>)
- Co-editor of the “Health in Prison Guide” (May 2007) – (http://www.euro.who.int/InformationSources/Publications/Catalogue/20070521_1)

For the International Committee of the Red Cross, Geneva/Switzerland, Study about Knowledge and Attitudes towards HIV/AIDS, Hepatitis and Tuberculosis of Prison staff in Armenia (October 2004-May 2005)

For the International Committee of the Red Cross, Geneva/Switzerland, Study about Knowledge and Attitudes towards HIV/AIDS, Hepatitis and Tuberculosis of Prison staff in Azerbaijan (July – December 2007)

For “Médecins Sans Frontières” (responsible organisation: „MSF Holland in Russia“, Moscow) : “Health Promotion in the Russian Prison System”;

For Trimbos Institute in The Netherlands (Utrecht) Production of the manual: „Risk Reduction for Drug Users in European Prisons“, Utrecht 2001; available in German, English, Russian, Estonian, Lithuanian and Latvian

For the „Open Society Institute“ (New York/USA) – reviews of project applications in the programme „HIV/AIDS-Prevention“ in CEE Countries“; training activities (2001/2002)

Various projects for the European Commission

Selected research projects:

Research since 1992 in the following areas “Health Promotion“, ”Drug use “, ”Prevention of Drug Use and Infectious Diseases“ and “Prisons“, e.g.

- “Prevention of Infectious Diseases by installing needle exchange programmes in two prisons in Lower - Saxony“ (1995-1998)
- The European Peer Support Project, phase 3, ‘Encouragement, development and support of peer support aiming at harm reduction in IDU communities’ (European Commission, Directorate-General V, 96 CVV F2-233-0)
- ‘Assistance to Drug Users in European Prisons’ (European Monitoring Centre for Drugs and Drug Addiction, Lisbon; until 31.01.2001)
- ‘Encouraging Health Promotion For Drug Users Within The Criminal Justice System’ (Project No 1999/DRG/0163)

- Heroin based treatment of opiate addicts – a randomised controlled trial in 7 cities in Germany (2001-2004)
- Crack – Prevalence, consumption patterns and trends (Federal Ministry of Health, Berlin; until 15.6.2001;)
- HIV Prevention in 10 Central and Eastern European Countries (Open Society Institute, New York; until 30.06.02)
- “Substitution Treatment in Prisons of the European Union (EU-Commission; 2002-2004)
- “Self Control Information Programme for Drug Users“ (EU-Commission; until 2004)
- Methadone Maintenance and Health Care for Drug Users: Identifying Best Praxis (QLG4-CT-2001-02468 – until August 2004)
- “Female Drug Users in European Prisons – Best Practice for Relapse Prevention and Reintegration“ (31.12.2004; part II until 31.12.2006)
- “Study about Knowledge and Attitudes towards HIV/AIDS, Hepatitis and Tuberculosis of Prison staff in Armenia” (1.7.04.- 31.12.04)
- “Police Detention in Europe: a comparative study of the provision of services for problematic drug and alcohol users” (31.12.2006)
- Reduction of drug-related crime in prison: Evaluation of the impact of Substitution Treatment on the Management of Opioid Dependent inmates (AGIS Programme of EC, 31.12.2007)
- Identification and optimisation of evidence-based HCV prevention in Europe for young drug users at risk”

Teaching:

At the faculties of pedagogy, health sciences and social sciences at the universities of Bremen, Hamburg, Oldenburg/Germany, and Frankfurt (since 1st March 2009)

Networking:

Member of the Reference Group to the United Nations on HIV and Injecting Drug Use (<http://www.idurefgroup.unsw.edu.au/idurgweb.nsf/page/home>)

Member of the “Aktionsbündnis Hepatitis C und Drogengebrauch” – German network of scientists and activists on hepatitis C an drug use” (see <http://www.hepatitiscfachtag.org/>)

Member of the Scientific Board of the National Organization for acceptance oriented drug work (www.akzept.org)

Co-editor of the series „Health Promotion in Prisons “ (11 volumes until 2004) (www.bis.uni-oldenburg.de)

Co-Author of the ‚hyperlink‘ www.hepfinder.de – Basic information for hepatitis in the net

Member of the Advisory Board of the peer-review journal ‚Suchttherapie‘ in Germany (thieme – Verlag: www.thieme.de)

Contact person for Germany for the international network „European Network on Drugs and Infections Prevention in Prison (ENDIPP) (co-ordinated by Cranstoun Drug Services, London) (<http://www.endipp.net>)

Member of the Scientific Committee of the ‘European Network for Drugs and Drugs and Infections Prevention in Prison’ (ENDIPP)

Member of the “European Working Group on Health Education in Prisons” – coordinated by the Irish Penal Reform Trust, Dublin, (2004)

Member of the “Offender Health Research Network” PHRN (since 2006)

Recent publications (selection of the years 2000-2009 – only articles written in English):

Co-founder and of “The International Journal of Prisoner Health” (peer-reviewed)

Co-editor of the series “Health Promotion in Prisons” (19 volumes until 2009) (www.bis.uni-oldenburg.de)

- A Framework for an Effective National Response. UNODC/Vienna, co-published with the World Health Organization and the Joint United Nations Programme on HIV/AIDS. Prepared with Lines, R.; HIV/AIDS Prevention, Care, Treatment and Support in Prison Settings (Also available in Arabic, Russian and Spanish), Vienna 2006
- The transfer of harm-reduction strategies into prisons: needle exchange programmes in two German prisons. In: International Journal of Drug Policy 11 (2000), 325-335 (with J. Jacob
- Risk Reduction for Drug Users in Prisons – A manual, Utrecht/The Netherlands, 2001 (with F. Trautmann)
- Crack Cocaine in Germany: The Current State of Affairs. In: L. Böllinger; H. Stöver u.a. (ed.): Journal of Drug Issues, Vol. 32, No. 2, Spring 2002, pp. 413-430
- Drug Substitution Treatment and Needle Exchange Programs in German and European Prisons. In: L. Böllinger; H. Stöver u.a. (ed.): Journal of Drug Issues, Vol. 32, No. 2, Spring 2002, pp. 573-596
- Consumption Rooms: A Middle Ground between Health and Public Order Concerns. In: L. Böllinger; H. Stöver u.a. (ed.): Journal of Drug Issues, Vol. 32, No. 2, Spring 2002, pp. 597-606
- Ten years of experience with needle and syringe exchange programmes in European Prisons. In: International Journal of Drug Policy, No. 1/04 (with J. Nelles)
- Prison Needle Exchange: Lessons from a Comprehensive Review of International Evidence and Experience. Canadian HIV/AIDS Legal Network, Montreal, Canada, 2004. (with Lines, R.; Jürgens, R.; Betteridge, G.; H.S., Laticevski, D., Nelles, J.)

- Substitution Treatment in European Prisons. A study of policies and practices of substitution treatment in prisons in 18 European countries, 2004, London/UK (with H.S.; Hennebel, L.C.; Casselman, J.) (<http://www.endipp.net>)
- Prison Needle Exchange: Lessons from a Comprehensive Review of international Evidence and Experience. Canadian HIV/AIDS legal Network, 2004, also available in French and Russian (www.aidslaw.ca); with Lines, R.; Jürgens, R.; Betteridge, G.; Laticevschi, D.; Nelles, J.;
- Injecting in Prisons. In: Pates, R.; McBride, A.; Arnold, K. (ed.): Injecting Illicit Drugs. Blackwell: Oxford, 2005, pp.69-81 (with Shewan, D., H.S., Dolan, K.)
