

STEPS FRANKFURT*INTERNATIONAL

is a language and study orientation programme as preparation for the DSH examination and for studying at the Frankfurt University of Applied Sciences.

The programme is aimed at prospective international students and offers them not only guidance for everyday life at university in Germany but also for the intended course of study.

It breaks down potential hurdles for subsequently commencing studies successfully.

STEPS Frankfurt* International is a cooperation project of the Special Language Centre and the International Office in close collaboration with the faculty 2: Computer Science and Engineering.

TARGET GROUP

- Prospective international students
